General Price List

These prices are effective February 28, 2019 and are subject to change without notice.

We are committed to serving you with the utmost regard for your family. This price list reflects our commitment to provide consumer information to those that we are privileged to serve. The goods and services show below are those we can provide to our customers. You may choose only the items that you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff Overhead.....\$2,295

Our services include: conducting the arrangement conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. (This fee is already included in our charges for Direct Cremations, immediate burials, and forwarding or receiving remains. The fee is also included in our charges for Platinum Burial, Traditional Burial, Veteran's Burial, Traditional Cremation, Memorial Cremation, Veteran's Cremation, and Concierge Cremations.)
