NOTE: There is no longer an "On-Call Mortuary" or "Mortuary of the Week/Month" for hospitals and/or hospices. The Next-of-Kin/Responsible Party must choose a facility. If the hospital/hospice chooses for the family and/or chooses the Clark County Coroner's Rotation Mortuary of the Day, the family may be charged for the removal and/or refrigeration (Sometimes many hundreds of dollars) by the mortuary that performs the removal should the family later decide to move their loved one to a different mortuary.

If there is no Next of Kin, or no one willing or able to take financial responsibility, you will need to call one of the contracted County Social Service Mortuaries (They have an asterisk by their business name).
